Press Release

Animal Hospital Inc. in Willoughby Hills invites the community to an evening dedicated to our feline family members

Willoughby Hills, OH, October 26, 2010: Animal Hospital Inc. would like to welcome the community to a special educational opportunity for cat owners. Our veterinarians will be giving mini-seminars about wellness care, litter box 101, weight control, socialization and more. Some of the signs your cat may be telling you it's time to see your vet is if you notice changes in their interactions with family, eating/drinking habits, weight loss, grooming habits or behavior just to name a few. In addition to discussing these warning signs, we will also give tips to reduce your cat's stress when visiting the veterinarian. The meeting will be held on Tuesday, November 16th at 6:30 pm and will be located in the AHI conference room. Please call (440) 946-2800 to reserve your seat or you can register on line at www.animalhospitalinc.com. Please bring a friend, not you're feline.

Pet Loss Support Group where many find comfort in the company of others:

Animal Hospital Inc. and Patty DeJohn, MA of DeJohn Pet Services offers a free Pet Loss Support Group. The loss of a pet can be a very difficult time to work through and often people do not give themselves permission to grieve for an animal with which they have spent a very significant part of their lives. The support group meets in the AHI Conference room on the third Thursday of every month from 6:30-8:00 PM: The dates for the remainder of 2010 are November 18 and December 16. The support group is free of charge and open to anyone who has lost a pet or is facing this difficult time. We ask that you call us at (440) 946-2800 to reserve your seat.
