Press Release

Animal Hospital Inc. responds to community need for urgent care services and Pet Loss Support Group.

Jennifer Drake Johnston, DVM Joins AHI as its newest Associate Veterinarian in Willoughby Hills Hospital.

AHI partners with DeJohn Pet Services to provide Pet Loss Support Group to the community.

Willoughby Hills, OH, November 24, 2008:

Animal Hospital Inc. has expanded its staff to accommodate the growing need in our area for daytime urgent care for pets. AHI's Co-Owner Dr Debbie Dennis states "People with sick pets are like parents with sick children. They often need to have their pets see a doctor that same day". DR. JENNIFER DRAKE JOHNSTON is a 2007 graduate of the University of Tennessee and joined Animal Hospital, Inc. in July 2008. She is married and has a Golden Retriever, cats and sugar gliders. Outside of work, she enjoys running and hiking with her husband, and getting involved with her community.

Animal Hospital Inc. has partnered with Patty DeJohn, MA and assisted by Melissa DeJohn-Capretta and Ross DeJohn Jr. of DeJohn Pet Services – A division of DeJohn Flynn-Mylott Funeral Homes to provide a Pet Loss Support Group. The loss of a pet can be a very difficult time to work through and often people do not give themselves permission to grieve for an animal with whom they have spent a very significant part of their lives. The support groups will meet in the Animal Hospital Inc. Conference room on the following dates and times:
